[Canyon Worship] by Amanda Riffe

V1, V2, C1, V3, V4, C2, Inst, B1, B2, C3, C1

VERSE 1

I found myself in the middle
Trying to earn my own place
Instead of trusting You with
Every trace of my life

VERSE 2

In the valley of unknown
You pull me in and remind me
That it's not about what I can see
Because You're working it out

CHORUS 1

He said, "Ooh-ooh-ooh don't worry child,
It's gonna be alright"
He said, "Ooh-ooh-ooh don't worry child,
It's gonna be alright"

VERSE 3

When the lies start to creep in
And darkness tells me to be ashamed
You say forgiven is my name
Help me walk in the light

VERSE 4

When the enemy taunts me
And I feel alone with no hope to chase
You tell me that I've always been safe
Here in Your arms

CHORUS 2

He said, "Ooh-ooh-ooh don't worry child,
It's gonna be alright"
He said, "Ooh-ooh-ooh don't worry child,
It's gonna be alright"

On Your solid rock I stand
